

Community Garden Volunteer

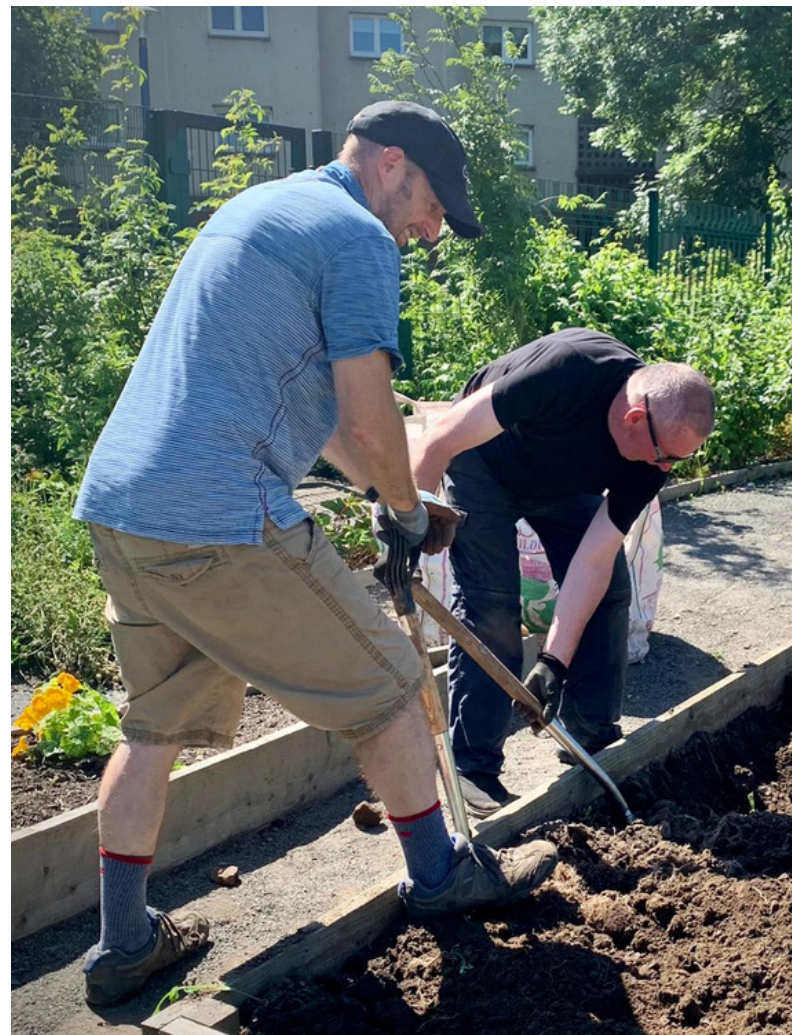

Time Commitment: To be agreed

Role Description:

This is a varied volunteering role where the candidate will work alongside the Community Gardener covering all aspects of fruit & vegetable growing and helping maintain the gardens.

Main Tasks:

- Supporting the Community Gardener and volunteers to work together within the community gardens.
- Sowing, growing, weeding & crop care.
- Poly tunnel crop care.
- Garden maintenance & small infrastructure jobs.
- Create a welcoming environment and work as part of a motivated team.
- Harvesting and supporting Community Picnics and other events in the gardens.

Skills & Experience:

- Good communication skills, enthusiastic and high energy.
- Some experience of growing fruit and vegetables.
- Physically fit to be working in a garden for periods of time.
- Some experience of using basic tools.
- Ability to relate to diverse range of participants.
- Ability to work as part of a small team.

What we can offer you:

- Learn and try new things and develop new skills!
- Build your confidence in horticulture within a community environment.
- Gain work experience and add to your CV.
- Meet new people or make new friends.
- Support the local community.
- Travel expenses paid.
- Some harvested items.
- Community food events.
